## **An Important Message from Malibu Club**

---

W Treasure Valley—ID46

Dear Parents,

All campers from W Treasure Valley are fine and will be leaving around 12:00 pm Pacific Time on Friday from their week at Malibu Club. However, we want to make you aware about an accident at camp that took place involving a camper from another area. Below is the statement released by Malibu Club regarding the accident.

W Treasure Valley leaders have been around their high school friends since we found out this news on Wednesday. Leaders have been caring for kids, encouraging them to talk if they need.

If you have any questions or concerns, please contact your area office directly.

Please pray for the family and friends of the camper, and the area affected. Thank you.

Accident at Malibu Club:

The Young Life Mission is saddened by the recent tragic accident at Malibu Club after a camper entered the waterway at camp, slipped and was pulled under by the tide. The camp and Canadian search teams have been searching for the camper. Our thoughts and prayers are with the family and friends of this camper. We continue to care for and provide support to our guests and campers.
